

## **Doncaster LINK Sprotborough Coffee Morning**

**Tuesday 28<sup>th</sup> October 10-12pm**

**Ivanhoe Centre**

The coffee morning new format is to have a guest speaker who will give the relevant information and updates or future plans about their organisations. The first speakers to attend were the Pharmacy Needs Assessment team. They gave an update on the current survey and would like your views and experiences on the community pharmacy in your locality. It is important to have your views/comments put forward in the questionnaire so that the information can be collected with regards to the future service provision. The survey closes on 20<sup>th</sup> November 2010 and can be accessed on the Doncaster LINK website.

The new coffee morning format will provide a unique opportunity for the general public to gain information about future health and social care provision as well as the updates about your local LINK. Members also discussed the LINK work plans. Residents had some very interesting comments and views that they shared at the event, one new member enrolled and we had one induction on the day
